

Stewardship 2018

Information Meetings: Sunday, October 15th, 9AM & 11:30 AM

Look for our Stewardship Campaign to begin next week.

As you know, St. Philip's has a lot happening these days. Our Finance Team, as charged by the Vestry, has been working to develop a budget for 2018. We are moving forward with much-needed work on our church this year, building up the physical space that allows us to be a gift to the greater Scotts Valley area. A lot of work is going to get done soon including new roof, new HVAC systems, and water damage repairs. To pay for the work we are taking out two loans; one from the Episcopal Church Building Fund and the other from the Small Business Administration. We are able to fund the loans largely through increased rent to our tenants and community users.

Please make an effort to join us for an information session, including the Junior Warden and the Finance Team, on the building improvements and 2018 budget on Sunday, October 15th at 9 a.m. or at 11:30 a.m.

In deep appreciation, the Stewardship Team
