Email scam alert!

Last Sunday someone used a Yahoo! email address that looks similar to Pastor Mary's church Gmail address, and sent emails asking recipients to purchase iTunes gift cards as a favor to her, promising reimbursement. The purchaser was instructed to email back a photograph of the card with the code number exposed. If you receive such an email, from anyone, DO NOT RESPOND! Pastor Mary would never ask such a favor, least of all by email. If you are ever unsure about a request received by email purportedly from the church, check by phone or in person with whoever sent it.

Email Address Change

Pastor Mary has been advised to change her email to the following address, which is connected through our website: pastormary@stphilip-sv.net. She will continue to monitor the old address, but please change your email address for her by September 1, 2018. Thank you!

79th General Convention of The Episcopal Church

July 3-July 15 Episcopalians from around the globe gathered in Austin, Texas, to pray, fellowship, reconcile with one another, put their compassionate faith into action, witness the power of Christ healing a hurting world, and get a bit of church business done. This was the last General Convention that our own Bishop Mary Gray-Reeves would attend as our Diocesan Bishop, and her final term as Vice-Presiding

Bishop alongside our Presiding Bishop Michael Curry. Bishop Mary has served us and our national church with grace and a reconciling heart. We are deeply grateful for all that she has done as she has represented us honorably and faithfully.

Please read the summary of events from our Diocesan website <https://www.realepiscopal.org/news/79th-general-convention/>

or a more detailed account in our National Church Newsletter, Episcopal News Service : <https://mailchi.mp/episcopalchurch/general-convention-wrap-up-following-the-way-of-jesus?e=a63059fa52>
