In case you didn't hear already - DO NOT RESPOND to an email purporting to be from Pastor Mary asking you to make a purchase on her behalf. If you are ever unsure about such a request received by email from anyone at the church, check by phone or in person with whoever supposedly sent it.

Email Address Change

Pastor Mary has been advised to change her email to the following address, which is connected through our website: pastormary@stphilip-sv.net. She will continue to monitor the old address, but please change your email address for her by September 1, 2018. Thank you!

Problem with July 22 Pip Email Delivery

It has come to my attention that the last Friday Communique with the Pip was blocked from being received by many, if not all, recipients. The reason is unknown at this time, but apparently only one person missed it! If you would still like a copy emailed to you, please email the office at officemanager@stphilip-sv.net
