Richard Morris Fundraising for St. Philip's Food Pantry!

Please help Richard reach his goal to support our Food Pantry. See the August 12 Pip for details. Here is his link: <https://www.justgiving.com/fundraising/richard-morris39>

Santa Cruz County Episcopal Churches Hire Regional Youth Coordinator

Meet Pamela Stevens:

Pam grew up in Los Angeles, and after Divinity School and continues to find hope relocating to Sacramento in 2009, she and joy in the particular evangelism of faith was received in The Episcopal Church formation. She also works at St. Bede's with her parents from the United Episcopal Church in Menlo Park as Methodist Church. After serving as a Children's and Youth Minister. Pam is a youth ministry leader in her parish while native speaker of Spanish; she enjoys working as a renewable energy project praying and worshiping in Spanish within a developer, Pam began a process of Hispanic/Latino context. She is an avid discernment to ordained ministry. Pam crafter; she loves reading, playing guitar earned a BA at UC San Diego, an M.Div. and ukulele, church camp and retreat time at Yale University, the Anglican Diploma with her family, hiking, and boating. Pam is from the Berkeley Divinity School at Yale. married to David, a retail design project She is a Ph.D. student at the Graduate manager, and is stepmother and godmother Theological Union in Berkeley, where she to Deven, a college student and Episcopal studies how historical missions relate to Camp staffer. The family also includes tensions in the Anglican Communion. Pam Christian and Robert, Deven's friends from was a Youth Ministry Fellow at Yale church, who are now both college students.

Alert! Tweens and Teens Invited to Student Band Night with the Discovery Learning Center

The Discovery Learning Center is hosting their final tween and teen night of the summer tonight. They will have two bands from the popular *Be Natural Music* program (<https://www.benaturalmusicsantacruz.com/>), a few performers from *Be Sharp School of Music* (<https://bsharpschoolofmusic.com/>), and individual homeschool musicians.

Attendees are encouraged to bring favorite games to play, or select from our lending library games, hang out under the oaks and redwoods, enjoy pizza and soft-drinks, and just get to know each other better!

Cost: \$10 (members free) - Entrance fee includes 2 tickets for: 1 slice pizza, 1 soft-drink (aqua frescas, izee, st. croix)

Episcopal Climate News green-living tip of the week: Switch to reusable water bottles!

The plastic water bottles that Americans use every year create an enormous amount of carbon pollution: The same level of fossil-fuel emissions as 535,000 cars. That's equivalent to the energy it takes to power more than 250,000 homes! The world is also plagued by plastic pollution, which threatens more than 250 different species of wildlife every year. Even the water that fills these bottles is often taken out from under marginalized communities that need it more than the corporations that purchase it. Imagine the difference it could make for God's earth if we stopped using extra plastic items like water bottles, straws, and shopping bags. Changing our habits to avoid plastic water bottles doesn't have to be hard. Put a reusable metal water bottle in your purse, car, or backpack and you'll have one with you everywhere you go, ready to fill up at the next water fountain. At home, drink tap water: Use a water filter if needed. You can put a filter on the faucet, or get a pitcher with a built-in filter to keep in your fridge. (Bonus for the pitcher: You can add a couple lemons or limes for natural flavor!) These steps will save money, and help save God's earth.

Our Prayers Are Appreciated

So how do you prepare for a hurricane? This image injects a little humor, but the situation is rarely so funny. Today, in the Diocesan Cycle of Prayer, we pray for the volunteers in our Diocese who help in response to natural disasters. Please also pray in particular for the residents of Hawai'i as they endure the ravages of Hurricane Lane, especially for Janice Lages' daughter Krista and family, who appreciate all prayers for their safety.

Someone else who appreciates our prayers is Colleen Markey, who continues to fiercely battle multiple cancers. Here we see her with some of the cards our Sunday School children made for her and her son Zane earlier this year. She would love to receive notes of encouragement. Please send to Colleen at: 849 NW Fremont Street Camas, WA 98607

Songs Speak

God put a million, million doors in the world
For His love to walk through -
One of those doors is you

from *We Bring the Kingdom Come* by Jason Gray
